Annexure to Notice

Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”)

The following Statement sets out all material facts relating to Item Nos. 4 to 7 mentioned in the accompanying Notice.

Item No. 4

Context

A resolution for related party transaction for procurement of iron ore lumps and fines from Tata Steel Limited (“TSL”) was approved at the 30th AGM held on September 07, 2020 for financial year 2020-21. The instant approval is for all transactions with TSL irrespective of materiality as part of our enhanced disclosure.

The estimated value of the contract(s)/ arrangement(s)/transaction(s) exceeds the threshold limit of 10% of the annual turnover i.e. ₹192 crore as per the last audited financial statements of the Company for FY2020-21, resulting in a material related party transaction in terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”).

To ensure uninterrupted operation, approval of the shareholders is being sought, for entering into related party transaction(s) with TSL for a maximum aggregate value of ₹651 crore for Financial Year 2021-22.

Background and Details of the Transaction

Cost effective and assured supply of raw materials of desired quality, superlative quality of tangible and intangible assets and administrative facilities, are a key requirement for the Company. The Company intends to continue to enter into various transactions with TSL to have consistent control over quality and overall group synergies. These transactions will not only help the Company to manage manufacturing operations smoothly but also ensure consistent flow of desired quality and quantity of facilities for uninterrupted operations and increased productivity.

The Company shall be procuring iron ore lump and fines, coke, manganese ore and fines, and various other services, facilities as required (“**raw material and other resources**”) from TSL for a maximum aggregate value of ₹651 crore for FY2021-22.

Rationale / Benefits of procuring raw material and other resources from TSL

The strategic advantages for the Company in procuring from TSL are:

- a) TSL is one of the largest steel producing companies in the world. As TSL has multiple mines, consistent and cost effective supply of raw materials becomes easier for the comparatively smaller volume of your Company;
- b) Bulk procurement from TSL ensures consistency in obtaining bulk raw materials for production with established supply chain which is essential for uninterrupted operations and increased productivity of the Company.
- c) Due to large scale of world-wide operations, TSL inherently has large pool of high quality resources at disposal which can be effectively used by the Company thereby gaining from inherent synergies being part of the massive Tata Steel global ecosystem.

Approval Sought

As per the requirements of Regulation 23(4) of the SEBI Listing Regulations, all material related party transactions shall require the approval of Members through a resolution. Further, the explanation to Regulation 23(1) of the SEBI Listing Regulations provides that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during the financial year, exceeds 10% of the annual turnover of the Company as per the last audited financial statements of the Company.

TSL is a related party in terms of Regulation 2(1)(zb) of the SEBI Listing Regulations. The estimated maximum aggregate value of the above-mentioned transaction(s) with TSL for Financial Year 2021-22 is expected to be ₹ 651 crore, which would breach the materiality threshold of 10% of the annual turnover of the Company i.e. ₹ 192 crore as per last audited financial statements of the Company for FY 2020-21.

Hence, to ensure uninterrupted operations of the Company, it is proposed to secure shareholders’ approval for the related party contract(s)/ arrangement(s)/transaction(s) to be entered into with TSL for a maximum aggregate value of ₹651 crore for Financial Year 2021-22.

Pursuant to Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date, particulars of the transaction(s) etc. are as under:
