Subject: Grant of accreditation

Dear Sir,

This has reference to the assessment of your laboratory in Chemical & Mechanical Testing disciplines. NABL evaluated the assessment report and decided to grant accreditation for Chemical & Mechanical testing disciplines to your laboratory according to ISO/IEC 17025:2005 standard for the scope recommended during the assessment. The authorized signatories are also approved as recommended by the assessment team.

You are also required to submit the 4 year PT participation plan from 2017 to 2020 in Chemical & Mechanical Testing as per scope of accreditation in the form 18 of NABL-163 and implement the same.

Accreditation Certificate Number TC-5263 for Chemical & Mechanical testing with issue date 17.03.2017 valid till 16.03.2019 is in the process of preparation.

Being an accredited laboratory of NABL, you must fulfill all the Terms and Conditions laid down in our document NABL-131. You are requested to follow NABL-133 (current issue) for using NABL symbol.

The accreditation is subject to continued compliance of NABL norms during the accreditation period.

Yours faithfully,

(Nikhil Kumar)
Assistant Director
