Dear Sir/ Madam,

**Sub: Intimation**

This refers to our previous letter dated March 28, 2020 wherein we intimated that the Company had suspended its production of Pig Iron and DI Pipes at its plant in Kharagpur, West Bengal, in view of country wide supply chain disruption & keeping in mind the safety and health of employees & other stakeholders due to spread of Covid-19 pandemic.

The Company has now initiated start-up activities to resume production in a phased manner with a well-developed Standard Operating Procedure for resumption of operations keeping in mind the Govt. advisories and hygiene guidelines. Normal production of hot metal from the Blast Furnaces feeding into the DI pipe plant will commence in the next few days and will be ramped up to a level of 40 – 50% capacity. Further action to ramp up production will be taken up in due course as and when the workforce restrictions are eased by the Govt. and in line with market conditions.

This disclosure is being made in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Yours faithfully,

For **Tata Metaliks Limited**

**Sankar Bhattacharya**

Chief – Corporate Governance &  
Company Secretary
